Dear Sir:

As a member of the class of 1898, Columbia College, it occurs to me that you may be interested in having in the collections of the Numismatic Society a copy of the medal which is enclosed herewith.* The circumstances of award it seems to me are rather interesting. They may be obtained in full from the Secretary of Columbia University.

Very truly yours,

Dear Sir:

Thank you very much for your letter of the 25th, and for the medal which we have received this morning, and which we are very glad indeed to add to our Collection. I trust that in time there will be other similar awards of this nature in our Universities. In addition to the honor which the medal connotes, there will be artistic merit in the medal itself to add distinction.

Very truly yours,

Secretary
